## STATIONERY LIST – Foundation

Dear Parent

The list below is the stationery your child must bring to school on his/her first day.

We ask you to please buy the exact items listed, and not the cheaper options. Our experiences indicate that more often than not the cheaper product does not last as long and must therefore be replaced more often, ultimately costing you more in the long run.

We appreciate your understanding in this matter.

- 1 x Thick colouring book (big pictures)**
- 1 x Boxes (12) retractable wax crayons (twisties)**
- 1 x Empty 2 litre ice cream container**
- 2 x Tripod grip pencils**
- 2 x Big pritt (glue sticks)**
- 1 x box twin saver tissues/term**
- 6 x A4 ready made plastic covers**
- 2 x A5 plastic covers**
- 1 x Packet of wet wipes/term**
- 1 x Scissors (if your child is left handed be sure to get left handed scissors – they usually have handles of different colours)**

**Please ensure white takkies/trainers are Velcro fastening and not laces**

Kindly label all above items individually, before sending them to school.

Thank you.
