## **STATIONERY LIST - GRADE ONE**

Dear Parent

The list below is the stationery your child must bring to school on his/her first day.

We ask you to please buy the exact items listed, and not the cheaper options.

Our experiences indicate that more often than not the cheaper products do not last as long and must therefore be replaced more often ultimately costing you more in the long run.

We appreciate your understanding in this matter.

**20 x A4 readymade plastic covers**

**10 x A5 readymade plastic covers**

**5 x A4 clear plastic pockets (plastic sleeves)**

**1 x pack coloured Twisties (retractable wax crayons)/per term**

**5 x pencils (HB Staedtler quality is best)**

**1 x scissors** (if your child is left-handed, please purchase scissors for left-handed users – they usually have different coloured handles)

**1 x eraser**

**4 x Big Pritt glue sticks/per term**

**1 x metal sharpeners**

**1 x 30cm length rulers**

**Large pencil bag / box (sufficient to hold all stationery)**

**1 x 2L empty ice cream (or similar) container**

**2 Box Tissues/ per term**

**1 x Flip file (50 packet)**

**1 x Wet wipes**

**Please understand that these items are only to begin the year. Updating and replenishing stationery items throughout the year will be expected.**

Kindly label all above items individually, before sending them to school.

Thank you
